"Special Thank You to Our Village Merchants"

Thank you for continuous support of the Village District in Apple Valley. Village Property owners generously pay funds to improve security and maintenance, upgrade the Village entry signage and has implemented beautification projects in the Village.

"Landscape Median Complete"

The Village PBID Board is happy to announce phase 3 of the landscape median is finally complete in the

Village. Thank you C.S. Legacy Construction Inc. and Richard Charles Johnson Landscape Architect for all the hard work the median looks great!!

The Village Merchants want folks to know the Highway 18 median and signage are not paid for with your taxes. The bucks come from a fund paid into by local Village Property owners. No government money was used on this project. So stop complaining because the actual users paid for it-what a concept.

San Bernardino County Sheriffs Village PBID "Crime Free Business Program"

San Bernardino County Sheriffs
Village PBID "Crime Free Business Program"

As a business owner, you are often told that the responsibility to prevent external and internal theft lies squarely with you. But what, exactly can you do to create a safe, secure environment for your employees and your business?

First...when you start a CRIME FREE BUSINESS PROGRAM in your area, block or shopping mall, you are taking an important step. Neighboring businesses working with the local law enforcement agency can establish and support a network that works. This will make YOUR business community an attractive and safe place to work and shop.

CRIME FREE BUSINESS is hardly a new idea; it is based on one of the oldest and simplest concepts known to man-neighbor-helping-neighbor. When neighboring merchants get together and cooperate with law enforcement, crime CAN be reduced.

What is the Crime Free Business Program?

The Crime Free Business Program was designed from the popular and ever expanding Crime Free Multi-Housing program which has spread across the United States and Canada. The Crime Free Multi-Housing program was designed in Mesa, Arizona to assist property manager's combat criminal activity on rental property. This program is designed to be law enforcement driven and allows for strong working relationships between law enforcement and business owners and managers.

The Sheriff's Department will provide the following services:

1. Periodic patrolling of all streets within PBID boundaries via patrol cars and on foot.
2. Provide training to business owners in the area of identity theft, NSF checks, etc.
3. Assist merchants with evaluating the security of their businesses, and make recommendations regarding enhancing the safety and security of their buildings, themselves and their clientele.
4. Other miscellaneous policing services on an as needed basis.

The Crime Free Business program an enhanced security program in the Village Business District for our Village Merchants.

Taste of the Village Tour De' Fork 2013

Village Merchants where delighted to showcase delicious samples to the community at the Taste of the Village Tour' De' Fork! The Tour' De' Fork featured some of the finest restaurants in the Village of Apple Valley such as Las Brisas, Mama Carpinos, La Fiesta Mexican, Nonna's Pizzeria and Tonyan's Coffee! Thanks to all Merchants whom participated in the Inaugural Taste of the Village 2013.
