To the Board of Directors Apple Valley Village Property and Business Improvement District Association

We have performed the procedures enumerated below, which were agreed to by the Apple Valley Village Property and Business Improvement District Association (the Association) and the Town of Apple Valley as of June 30, 2011 and for the year then ended. The Apple Valley Village Property and Business Improvement District Association is responsible for the Association's accounting records. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this procedure has been requested or for any other purpose.

Procedure

- 1. Vouch expenditures to supporting documentation.
- 2. Classify expenditures by category.
- 3. Compare expenditures to *Management District Plan*.
- 4. Reconcile cash at June 30, 2010 to cash at June 30, 2011.

We were not engaged to, and did not, conduct an audit, the objective of which would have been an expression of an opinion, on the accounting records. Accordingly, we do express such an opinion. Had we performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the Apple Valley Village Property and Business Improvement District Association and the Town of Apple Valley and is not intended to be and should not be used by anyone other than those specified parties.

Procedure 1: Vouch expenditures to supporting documentation.

Summary of Procedure Performance

Disbursements are made directly from the Association via the checking account in Treasurer Donna Gilmore's custody. We obtained check stubs for disbursements made from July 1, 2010 through June 30, 2011, and scheduled the disbursements by check number, date paid, payee and amount. We then vouched the disbursements to supporting documentation.

Findings

Fifty-seven disbursements totaling \$27,751 were made by checks and automatic withdrawal from the Association's checking account between July 1, 2010 and June 30, 2011. We were able to locate supporting documentation for all of the disbursements, and that documentation supported the nature, timing, and amount of the disbursements.

Procedure 2: Classify expenditures by category.

Summary of Procedure Performance

We classified the expenditures described in Procedure 1 into categories based on the nature of the expenditure.
