CHAIRMAN'S MESSAGE

Larry Cusack

Hello readers and Happy New Year! I am happy to announce another successful year for our beloved Holiday Lighting Contest! Be sure to check out the 2019 winners inside this issue! This year drew the most entries to the competition and we were pleasantly surprised to see a few new businesses add their own holiday flair to the mix. We offer this contest each year as a free and friendly way to light up the district and draw more customers in to celebrate their own shopping experiences. Your Board and I would like to personally thank all of the businesses who participated this year.

Our event season is just around the corner! Dates have been set for the upcoming Summer Street Fair, June 27, and Happy Trails Parade & Street Fair, October 10. Please join us at both of our annual events for a taste of local inspired food, fun, games and retailers. Admission is free for both events!

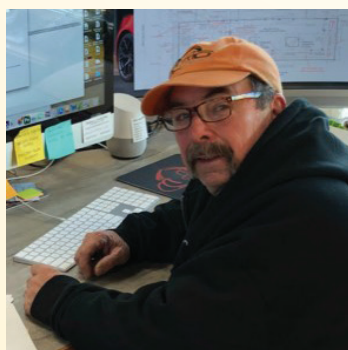

The public is also welcome to join us at the monthly board meetings located at the Mojave Water Agency on Conference Center Drive in Apple Valley. The meetings are held on the third Wednesday of each month at 9am. If you have an idea or an opinion you would like to share with your Property and Business Improvement District Board, please join us during these meetings where you will have the opportunity to speak to the board directly.

We look forward to continuing to serve the property owners of the Village district and attract more residents and business to the Village area and our events.

Have a blessed 2020 and Happy New Year!

-Chairman Larry Cusack

WELCOME – DERRICK SANDWICK!

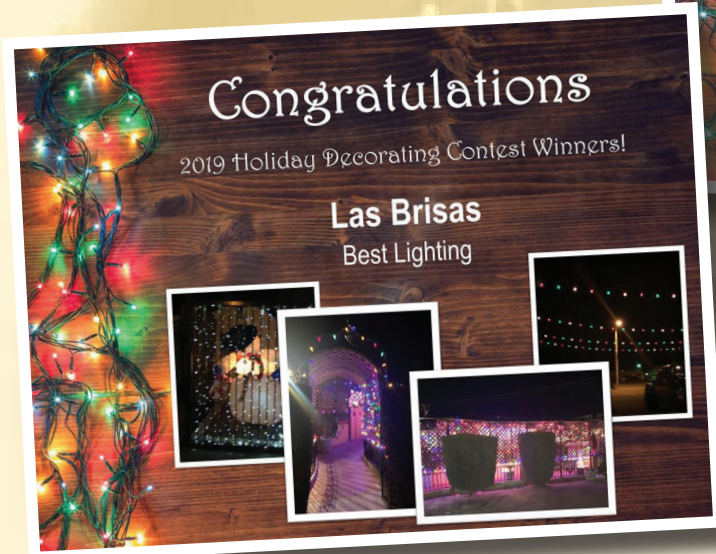

Derrick Sandwick

Derrick is a 36-year resident of the High Desert and has been operating business's here since 1984. He and his wife Jill are the founders of Family Owned High Desert Underground, a General Engineering Pipeline Construction Company. Their 3 sons run the company now while Derrick takes life a little easy! He has raised his family in the desert and believes in the need for a strong, bonded community that looks out for one another.

Join us in welcoming Derrick to the Property and Business Improvement (PBID) Board for 2020!

Congratulations

to this year's Holiday Lighting Contest winners!

Save the dates!

BUSINESS SPOTLIGHT

"We outgrew this place rather quickly. We have hired more people and are looking to expand. All of us are from Apple Valley and we really enjoy being back in our hometown.

I'm from Apple Valley. I grew up here and went to Apple Valley High School. I graduated in '93 and enlisted in the US Army. During my service, I worked in the arms room. They sent me to school to work on AR-15 rifles, building and repairing them. When I got out, I knew exactly what I wanted to do and started my own business from home in my garage...just like Apple, haha.

Tony, my shop manager was one of my customers and we eventually decided to partner and go into business together. Today, our brick and mortar shop sells pistols and rifles and we can even get you started on your CCW permit.

We ship to customers all over the country. Most of what we sell are Sig, Glock and 1911 custom parts. We are slowly transitioning into becoming our own firearms brand as well.

We have a distribution warehouse down the street because we have grown so quickly. It acts as our shipping and coating factory for most of our online sales and distributions. We use machines to custom machine and laser engrave parts for our home made kits.

We have customers come as far as Vegas, San Diego and Bakersfield to see what we do and what we offer. It's pretty special that we are able to be so unique and offer products not often seen on the market from a small shop right here in The Village in Apple Valley. We are currently looking for a larger site for our shop!

To me, Veteran's Day is a day of celebration. We can celebrate how fortunate we are and recognize all of the things that other service men and women gave up. This is not only the time away from their families, but also those who did not make it home. That's huge, you know what I mean?"

-Jim Tromblee, US Patriot Armory
